Giving Back...

Our special needs partnership at work...
 At A Cheerful Giver we are dedicated to giving back... One hundred percent of our wicking process is completed by our special needs partnership in Vineland, New Jersey. These mentally challenged adults work as little as 5 minutes a day, or for 5 or 6 hours a day wicking our candle jars...it's all up to them. At the end of the day, each of our "Wickers" receive a paycheck that they bring home to their families.
